Satisfied partners

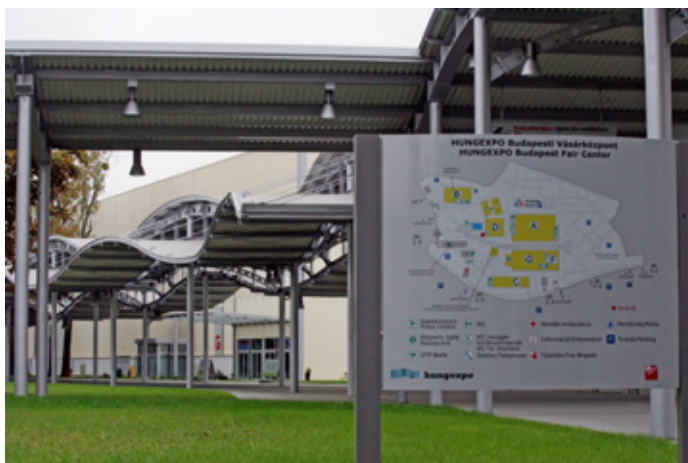

„...what I would say about the team of HUNGEXPO is: They have actually furthered their support, they are helping in marketing, in getting new contacts, in getting in touch with the Hungarian market. This is almost like a partnership. The venue itself is fine, it is up to modern European standards, all the services are provided. [...] And I can say: I have never felt so relaxed during a show like this year here in Budapest.“

John Lane

Quartz Chemicals sales director
Chemspec organizer
