

Dear Partner,

The AGROMASH EXPO and Agrárgép Show will open the season next Wednesday, on **23rd January** together with Hungarian Garden and Viticulture and Viniculture exhibitions. Everything will be available for agricultural professionals for **4 days**, on **40,000 square meters** including: machinery, services, input materials, precision farming, drones and high quality professional programs. Nearly **350 exhibitors** from **14 countries** present their products and services in the field of input mechanization logistics. The exhibition bunch offers an excellent opportunity to explore new agri-industry trends, and this year also gives an opportunity to introduce novelties. For the **product competition** a total of **41 entries** were received.

The 26th FeHoVa exhibition will be held between **7-10 February**. This is the biggest and also the most pleasant meeting point for hunters, anglers and nature lovers in the Carpathian Basin. The size and internationality of the exhibition is illustrated by the fact that **229 exhibitors** from **17 countries** will present their products and services. In addition to Europe, there are 14 exhibitors from **Africa** and **Asia**. Diverse and high-quality programmes such as **trophy exhibitions, fly tying competition, hunting horn festival, STIHL woodcutting contest** and **casting pool** are waiting for the visitors. We are proud to have received nearly **80 entries** for the **I. FeHoVa International Open Taxidermy Championship**.

The 28th Budapest Boat Show and the 42nd Travel Exhibition await visitors with a unique weekend between 21-24 February.

The exhibition has grown and developed this year again, just as in recent years. Its success is demonstrated by the fact that almost all companies are preparing with a larger appearance. Evolution is also evidenced by the fact that the event has come to the eyes of new companies, therefore many new exhibitors will enrich the event. The two pavilions are filled by **55 exhibitors** and **109 ships**. In addition to the **stage programs**, the **Program Island** and the **Show Pool** are also waiting for the visitors. Traditional and multihull boats will be on the water, and there will be a modeling and SUP yoga show. This year the guest of honour of the exhibition is **Fertő-tó**. There are also several **premieres** at the event, electric and motorized novelties and a new ship brand in Hungary) will be introduced.

The Travel Exhibition is for the general public as well as for tourism professionals. Visitors can meet **300 exhibitors** from **21 countries**, undergraduates from **6 universities** and **12** travel, gastro and lifestyle **bloggers**. The whole environment inspires to travel, the booths and programs give an insight into the atmosphere, culture, and taste of different countries or regions. Beside the foreign guest – **Algeria** - India, Cuba, Morocco, China, Malta, Indonesia and Cyprus will be also present. **Bács-Kiskun county and Kecskemét** will be introduced as the domestic guest of honour. Among them Budapest, Pest county, Gödöllő region, Zamárdi and Szigetköz will be presented also. The **Caravan Salon** will be riding more than 40 campers this year. In 2019, Budapest will become the **European Capital of Sports**, with several number of programs and related information for visitors.
